Dear Parent / Carer

### GCSE Textiles: Externally Set Task (40% of GCSE grade)

Your son/daughter has by now completed the coursework portion of the GCSE Textiles course, which is worth 60% of their overall grade. As well as the daily lunchtime catch up sessions and the Tuesday – Thursday 3.05 – 4.15pm after school sessions I shall be running two more intervention evenings. These will be on 31 January and 28 March and are for any students who need to complete outstanding work or who have struggled to find momentum with their externally set task. A letter shall be sent out very soon for students who must attend that session.

The externally set task was issued to students on 3 January and your son/daughter has until 3 May to complete all preparatory work for their final textiles practical exam.

Please find attached a copy of the project outline that your son/daughter will have stuck into the front of their book, you may like to look at this from time to time to monitor your son/daughters progress with the project. I have also attached a deadline checklist that can be ticked off as work is completed.

I apologise for the delay in getting this information out to you. Please don't hesitate to email me on [chamblywalker@downlands.org](mailto:chamblywalker@downlands.org) if you have any concerns or questions.

Yours faithfully

Ms C Hambly-Walker
