Dear Parent/Carer

Downlands Community School Kart Club
British School Karting Championship
www.bskc.co.uk

Your son/daughter has shown an interest in representing Downlands in the British Schools Karting Championship for the 2019 competition. The BSKC is a team-based competition where schools compete over three rounds at local, regional and national level with the best teams from each event winning entry into the next round.

The local round will be held at **Team Sport in Crawley** on **12 February** with a practice session on the **4 February** and from this two teams will proceed through to the regional round later in the year. The students will compete in teams of three with their finishing position counting towards the overall score and hopefully seeing their team through to the next round.

The cost of entry for each student is **£65** and covers their entry fee however far they proceed in the competition. Unfortunately, the only other barrier to all of our drivers entering is that the competition rules state that each student must be **13 years or older** by the **1 January 2019**.

If you would like your son/daughter to be considered for entry into the BSKC then please return the slip below to the trip box for my attention.

Yours faithfully

Mr A.C. Wardrobe

Please return to the Trips Box, for the Attention of Mr Wardrobe by Thursday 13th Dec

BSKC 2019

Name: Tutor Group:

I would like my son/daughter to enter the BSKC and will forward payment of £65 once I have received written confirmation that my son/daughter has a place on the event.

Signed:
(Parent/Carer)
