September 2018

Dear Parents/Carers

**KS4 INFORMATION EVENING – THURSDAY 13 SEPTEMBER 2018
MAIN HALL AT 6pm**

Your son/daughter is just embarking on a very important two-year phase of their education. It is a period that passes all too quickly and a great deal happens in a very short period of time.

We are inviting you to attend a brief evening that will inform you how you can best support your child during this very hectic and potentially stressful period. Research shows that parents who are informed are better able to support their children and that better outcomes are the result.

The evening will last for an hour. You will receive a copy of the Year 10/11 Examination Guide, which outlines many important dates and details of how students can best prepare themselves for examinations and course components. Details of each subject’s coursework and controlled assessments and all deadline dates are included to assist you and your child in planning for the busy periods that will always occur. The evening will also cover:-

- Curriculum Update
- Explanation of the use of target grades and the monitoring, tracking and reporting of student progress to these targets
- How to support your teenager during Years 10 and 11
- Advice and guidance from the Assistant Headteachers in charge of English, Mathematics and Science.

Students are not expected to attend – there will be an opportunity to talk to staff at the end of the evening.

Could you please complete the attached slip and return to the Trips Box.

Yours faithfully

Mr R Davies
Deputy Headteacher

**KS4 Information Evening
PLEASE RETURN TO TRIPS BOX Attention Nicki Burston**

Student Name..... Tutor Group.....

I/We will be attending the KS4 Information Evening and will require seat(s)

I/We are unable to attend the KS4 Information Evening

Signed Parent/Carer
