September 2018

Dear Parents/Carers

We would like to welcome your child to the Technology Department.

During their Technology lessons, students will rotate around three subjects: Resistant Materials, Food Technology and Textiles. We place a large emphasis on practical work and have developed projects which offer students the chance to develop their making skills to a high level and all students will be given the opportunity to produce good quality products.

We are asking parents and carers for a voluntary contribution of £10 for the year towards the cost of some ingredients, equipment and materials needed for each project. Your contribution will help to provide experimental work, tasting sessions and some items needed during practical sessions in food. It will provide materials and equipment to produce a range of items in both Resistant Materials and Textiles. All of the student projects will be completed in lessons and students will bring their artefacts home to keep.

Please complete and return the tear off slip at the bottom of this letter, to your son/daughters Technology teacher.

We look forward to working with your son/daughter in their Technology lessons at Downlands School. If there are any questions about this then please contact us at school. Thank you in anticipation of your support.

Yours faithfully

Mrs D. Moller
(Head of Teaching & Learning/Technology)

Return to the Trips Box Attn: Mrs Moller

KS3 Technology Lessons

Student's name.....Tutor Group.....

I have received the letter concerning KS3 Technology lessons and agree to:

- Supply ingredients and a suitable container for food practical lessons.
- Give details of any food allergies/special diets that my child has on the back of this slip.
- Check that homework has been completed and ensure that deadlines are being met

- I agree to make a voluntary contribution of £10.00 for the year.
- I enclose £10.00.
- I have paid online.

Signed.....(Parent/Carer)
