September 2018

Mass Headteacher Action – 28 September 2018

Dear Parent/Carer

I am writing to let you know that with the full support of the Governing Board I will be joining Headteachers from across the country tomorrow in London. I will be attending an event aimed at securing improved funding for schools.

I have attached a letter from the Worthless? group which gives further information about tomorrow's event, school funding and the issues around this hugely important area for all schools.

Yours faithfully

M Wignall
Headteacher
