September 2018

Dear Parent/Carer

As discussed at the Technology Information Evening at the end of last term, please find below the internal deadlines for the sections of the non-examined assessment element (coursework) of the Technology GCSE course; this accounts for 50% of the students' overall grades.

Mr Walker and I have planned after school intervention sessions to run in DT6 from 3.15-5pm to help support students who have fallen behind or who wants to push their mark to the highest possible level. Failure to meet the deadline will result in "C2 Homework" detentions in the library to enable the students to complete missed work.

Many thanks for your ongoing support; if you have any questions please contact myself or Mr Walker via the links on school website <http://www.downlands.w-sussex.sch.uk/contact/>

Yours faithfully

Mr J Matthews
Technology Teacher
