Dear Parent/carer

Thank you for your support in ensuring that students have returned to school looking very smart in their school uniform.

The introduction of the new uniform skirt has gone smoothly and we would like to thank parents and carers for their support. Other local schools use this particular skirt which has led to high demand; we are waiting for a delivery so that we can make sure that everyone is compliant in their uniform skirt. We are working hard with students to ensure that they understand that the skirt must be worn at knee length.

Trousers are also an option. However please follow the guidance in the School Journal: school uniform style, made predominantly of polyester, no zip pockets, skinny fit or tapering below the knee.

We are also pleased to see that the new hair cut guidance, permitting a faded clipper cut back and sides, has been sensibly considered. Please note a slight change to policy as of the date of this letter that the fade should start at no less than a number one.

If any family would like support with uniform or equipment do not hesitate to contact your child's Achievement Leader, who will handle your enquiry sensitively and in confidence.

Once again thank you for your support.

Yours faithfully
