November 2018

Dear Parent/Carer,

### Year 11 Sports Studies

I am writing to you regarding the external examination that your child is going to sit for their Sports Studies course.

The external examination, which will take place on **Friday 12 January at 1:30pm**, is worth 25% of their entire qualification. Therefore, I am sure that you appreciate the importance of it and the reason that I am keeping you informed.

To prepare for this examination your child is sitting regular progress tests at school. They will also sit a mock examination on **Wednesday 28 November at 12:20pm** during their P3 lesson.

- Students all have a revision booklet at home which contains the course content, tasks and exam questions.
- Students can also access past papers on the OCR Sports Studies website or can borrow past papers and mark sheets from me at school.
- As a department we will be providing a series of extra revision sessions to help your child reach their full potential. Your child's teacher will communicate when these sessions are. Whilst attendance at these sessions is not compulsory, it is encouraged and we will be targeting and inviting some students who we feel will particularly benefit.

I would be grateful if you could help your child to prepare themselves fully for the exam by encouraging them to revise and also to reinforce the expectations that they attend the revision sessions.

Thank you, if you have any queries please contact me at school.

Yours faithfully

*LMackelworth*

Miss L Mackelworth
