15 March 2019

Dear Parent/Carer

HPV Vaccine – Year 8

I would like to inform you today your daughter will be bringing home an information pack from Sussex Community NHS Trust Foundation Immunisation Team regarding the upcoming HPV vaccination programme. The letter informs you of the date the vaccination will take place.

Sussex Community NHS Trust has requested that girls be encouraged to attend sessions here in school, as this is a school-based vaccination programme supported by Public Health England and not readily available at your GP surgery.

The pack contains a consent form, which I would ask you to complete and return to myself in school, by 29 March at the latest, in preparation for the vaccination programme after the Easter break.

Please sign and return the consent form even if you do not wish your daughter to be included in the programme.

Thank you in anticipation of your help in this matter.

Yours faithfully

Mrs L Pryor
Medical Welfare Officer
