Dear Parent/Carer

School Based Leaving School Booster Vaccination Programme – Year 9

I would like to inform you today your daughter/son will be bringing home an information booklet* and consent form from The Sussex Community NHS Foundation Trust Immunisation Team. This is regarding the upcoming Leaving School Booster vaccination programme, and informing you of the date that the vaccination will take place. If your daughter/son does not hand this pack over to you willingly please ask them for it. Previous experience has proven that many of them will be reluctant to hand over any documentation that results in any kind of vaccination!

The pack contains a consent form which we would ask you to complete and return to the school marked FAO Mrs L Pryor, as soon as possible in preparation for the up-coming vaccination programme.

Thank you in anticipation of your help in this matter.

Yours faithfully

Mrs L Pryor
Medical Welfare Officer

**Apologies, because some of you will not have received an information booklet. The immunisation team did not deliver enough, so for this reason we have attached an electronic copy to this e-mail for your perusal.*
