Dear Parent/Carer

Year 10 PE Trip to the 'Body Worlds' Exhibition

We have an exciting opportunity to take our Key Stage 4 PE students to an outstanding exhibition that will greatly assist their knowledge and understanding for the courses they are undertaking. This will particularly be the case for a large portion of GCSE PE exam paper 1, 'The Human Body and Movement in Physical Activity and Sport'. It will also help with elements of Biology for their Science GCSE.

Dr Gunther von Hagens' world renowned 'Body Worlds' exhibition is returning to London after being absent for a large number of years. It is an outstanding opportunity for students to study the body in extreme detail, and put into context what they have been covering in lessons. The exhibition has been viewed by 47 million visitors globally and students can expect a unique, exciting and interactive journey through the human body. If you would like to know, more you can visit the Body Worlds website at <https://bodyworlds.com/exhibition/london/>.

The trip will be on Friday 14 December. We will travel to the exhibition by train and underground to Piccadilly Circus, departing Hassocks station at 9.30am and returning to Hassocks at approximately 4pm. These times are, however, only a guide at this stage and will be confirmed nearer the time.

The cost for the trip is £25, which includes travel and entry to the exhibition. You may pay online via ScoPay. If you are unable to pay online, cheques should be made payable to Downlands Community School and put in a sealed, named envelope together with the reply slip.

We believe this is a brilliant opportunity for the students that will really aide with their knowledge and understanding of anatomy and the human body. If you have any questions please do not hesitate to contact me.

Yours faithfully

Mr K Lusk
