Dear Parent/Carer

Blackland Farm Physics Workshop – 4 March 2019

As you are aware, your son/daughter is on the Triple Science Course. They will be covering Physics 2 at the beginning of March, which involves many equations. In order to make this relevant and more exciting we have organised a day at Blackland Farm to put it in context for the students. Students will be looking at motion, distance time graphs, measuring speed and dropping things! The day may involve things like the zip wire, high wires and perch. Students will be updated about the arrangements nearer the time of the visit.

We will be travelling by minibus and will leave school at 9am returning at 3.15pm. Students will need a packed lunch, bottle of water and waterproof clothing. They should also ensure they are dressed appropriately for climbing (tracksuit bottoms) and have suitable footwear (trainers).

The cost of this trip (including the activities at Blackland Farm) will be £27. Students who are eligible for free school meals can approach the school, in confidence via myself, for financial support.

If you require any more information please do not hesitate to contact me at school.

Yours faithfully

Mrs C Davies
Assistant Headteacher i/c/ Science
