5 April 2019

Dear Parent/Carer

Year 11 Football Team

I am extremely proud to say that, in their final season together, the Year 11 boys have made it to the final of two major competitions, the Sussex FA County Cup Final and the Brighton and Hove District Champions League Final.

During their 5 years at Downlands they have made history by becoming the most successful team in the schools 50+ year history. These two matches therefore are an extremely fitting way for the boys to see out the time they have spent playing football together at Downlands.

It would be great if you could find the time to come along and support the boys for these final two games together. The dates of which are as follows;

Sussex FA County Cup Final – Tuesday 30 April, 7:45 KO

Brighton and Hove District Champions League Final – Friday 17 May, 4:30 KO

Both cup finals will be taking place at the Sussex FA Headquarters, Culver Road, Lancing.

Can I also take this opportunity to thank you for all the support you have given to this team during their time at Downlands, whether that be with bringing in kit last minute, providing lifts, or cheering on at the sidelines. It has all been hugely appreciated.

Kind regards,

K Lusk
