23 February 2021

Dear Parent/Carer and Students

I hope you are all well and had a good half term.

I am sure you will be wondering about arrangements for the return to school of students from Monday 8 March (which we are all looking forward to). We are in the process of interpreting the guidance that has been issued to us and are working hard to formulate our plans.

One of the areas we are working on relates to providing lateral flow tests to all 1200 students (where consent is given) followed by repeat testing in the period following their return. I will write in detail once we have finalised these plans.

We are also expecting an announcement later this week on the arrangements for awarding GCSE grades this academic year and we will make contact with our Year 11 cohort once we have received, interpreted and formulated our approach to this important issue.

I apologise for not being able to provide further information at this time.

Yours faithfully

A handwritten signature in black ink that reads 'M Wignall'.

Mr M Wignall
Headteacher
