Year 7 and 8 Consolidation Day: Tuesday 9 February

Dear Parent/Carer

We are looking forward to our next consolidation this coming Tuesday. The day will provide an opportunity for students to reflect and focus on different types of activities to the normal remote learning day.

In Years 7 and 8 we are going to have a Growth Mindset focus and are looking forward to welcoming the students to a series of live events including a live cook along led by the brilliant Ms Reid.

The expectation is that all students will participate fully in the day, which I have outlined below:

9.00am	Live Assembly with Mr Wignall
9.20-10.45	Wellbeing event led by Mr Wignall and members of our pastoral team.
11:00-11:30	Introduction to Growth Mindset event
11:40-13:00	Students will be challenged to take on a number of Growth Mindset skills tasks. This session includes the opportunity to join a live cook along led by Ms Reid. <u>To be able to join the cook along parents/carers will need to give their permission for students to take part. The permission slip can be found in the 'Surveys' option on EduLink and will need to be returned by 12pm on Monday 8 February.</u> <u>A link to the event will be sent via email on Monday evening to those students whose parents/carers have given consent.</u> <u>If you have yet to sign up to EduLink another email to register was sent on Thursday 4 February.</u>
13:00-14:00	Lunch Break
14:00-14:30	Live PE event

Thank you for your continued support.

Yours faithfully
