Dear Parent/Carer

School Based HPV Vaccination Programme – Year 8 Girls and Boys dose 1

Following on from my email yesterday, there seems to be some confusion as to whether many parents/carers have declined or consented for their child to be included in the above vaccination. Unlike other years, the vaccination has been booked directly with the immunisation service, therefore I am unable to confirm this.

Please find attached the original letter from the immunisation team, this letter contains the link, for those of you who have not yet consented or declined the vaccination. As advised yesterday, please be aware **the online consent form is only available for completion until 6pm on Sunday 28 March 2021 and not 11am on Monday 29 March as advised in the attached letter.**

If you have any difficulties completing this online form, or wish to confirm if you have consented/declined please contact your local Immunisation Team on 01273 696011 ext. 3789.

Please complete the online consent form, even if you do not wish your child to have the vaccination in school.

Yours faithfully

Mrs L Pryor
Medical Welfare Officer
