Dear Parent/Guardian

School Based HPV Vaccination Programme – Year 8 Girls and Boys dose 1

As you are aware the Immunisation Service are coming into school on **Wednesday 31 March 2021** to offer your child the HPV vaccination. Thank you to all of you who have already completed the online consent form, for those of you who have yet to do so, the immunisation team have asked us to inform you that **the online consent form is only available for completion until 6pm on Sunday 28 March 2021 and not 11am on Monday 29 March as previously advised.**

If you have any difficulties completing this online form, please contact your local Immunisation team, on 01273 696011 ext. 3789. **If you miss the revised cut off time to complete the consent form, we will not be able to vaccinate your child in school on the 31 March.** The consent form will reopen 1 April enabling you to submit a form for your child to be offered the vaccination at a later date and alternative venue.

Please complete the online consent form, even if you do not wish your child to have the vaccination in school.

Thank you in anticipation for your help in this matter.

Yours faithfully

Mrs L Pryor
Medical Welfare Officer
