Dear Parent/Carer

School Based HPV Vaccination Programme – Year 8 Girls and Boys Dose 1

The Immunisation Service are coming into school on **Wednesday 31 March 2021** to offer your child the HPV vaccination.

Contained within this email are the following documents:

- **A parent letter** - with instructions on how to complete the online consent form, to either consent or refuse this course of vaccinations.
Please note, there is a cut off time and date for consent completion, which can be found in the letter. This also contains important information on the vaccines and frequently asked questions, to help you and your child reach an informed decision regarding consent.
- **HPV leaflet from Public Health England** - to be shared with your child.

The online consent form is available for completion until 11am on 29 March 2021. If you have any difficulties completing this online form, please contact your local Immunisation Team, using the telephone number provided in the attached letter. **If you miss the cut off time to complete the consent form, we will not be able to vaccinate your child in school on 31 March.** The consent form will reopen 1 April enabling you to submit a form for your child to be offered the vaccination at a later date and alternative venue.

Thank you in anticipation of your help in this matter.

Yours faithfully

Mrs L Pryor
Medical Welfare Officer
