14 January 2021

Dear Parent/Carer

Following the announcement by the Government of a National Lockdown, until further notice all school based vaccination sessions will be rescheduled. Therefore, the Teenage Booster Vaccination scheduled for next Tuesday 19 January will not go ahead.

The Immunisation Team have advised us that they will endeavour to contact us at the end of this month with an alternative date for the vaccination session to take place, though as you will understand, this is governed by any further Government decisions.

Please **do not** contact your GP surgery to enquire about having your child vaccinated, they are already under immense pressure.

Thank you as always for your understanding at this unprecedented time, I will contact you again once I have further information.

PLEASE NOTE THIS IS A GENERIC E-MAIL SENT TO ALL YEAR 9 PARENTS/CARERS, PLEASE DISREGARD IF YOU HAVE OPTED OUT OF THE VACCINATION PROGRAMME.

Please take care and stay safe.

Yours faithfully

Mrs L Pryor

Medical Welfare Officer
