Dear Parent/Carer

### School Based Teenage Booster Vaccination Programme – Year 9

I would like to inform you that today your child will be bringing home an information booklet and consent form from The Sussex Community NHS Foundation Trust Immunisation Team regarding the upcoming Teenage Booster vaccination programme, and informing you of the date that the vaccination will take place. If your child does not hand this pack over to you willingly please ask them for it, as previous experience has proven that many of them will be reluctant to hand over any documentation that results in any kind of vaccination!

The pack contains a consent form, which we would ask you to complete and return to the school within the next 7 days, marked FAO Mrs L Pryor. Your child should hand the completed form to their tutor and not directly to the reception staff.

**Please sign and return this form even if you do not wish your child to be included in the programme.**

Thank you in anticipation of your help in this matter.

Yours faithfully

A handwritten signature in black ink, appearing to be 'L Pryor'.

Mrs L Pryor  
Medical Welfare Officer
