Dear Parent/Carer

As you are aware, sadly we have been unable to hold our planned Year 10 Information Evening.

I should like to draw your attention to our website which now contains some updates on Year 10 and their teaching and learning at this time. Please follow this link [Here](#) where you will find:

- a) An update on the Downland's School Apps currently in use
- b) An overview of the recently introduced "Edulink" site
- c) A Curriculum video outlining some of the continuities and changes within our present Year 10 curriculum.

We will endeavour to keep you further updated with relevant information and hope you will understand that arrangements are undergoing frequent changes and reviews. Indeed, since starting to make the curriculum video, there have been further announcements on GCSE Exams in 2021.

Thank you for your continued support.

Yours faithfully

Deputy Headteacher
