Dear Parent/Carer

Ypres Trip

Unfortunately, due to restrictions by the DFE on overseas school trips at this time, we have had to cancel the History trip to Ypres in March 2021. We are looking for a UK alternative and will be in touch in 2021 with plans for a new trip. We anticipate this will take place before Easter or in the summer term.

This trip is online via SCOPAY and has been renamed from Ypres, to *UK History*. We will keep the funds already paid here and use it for the new trip. Please pay the balance when you wish, there is now no hurry.

We are very disappointed and understand the students will be too, but we hope a UK trip will be just as rewarding and educational.

Yours faithfully,

D Joyner
