

Contact Tracing During the Christmas Holidays

School leaders have been asked to remain on call to support contact tracing until 24th December. This is to support communication with families in the event of a positive case of Covid-19 at the end of term.

If a pupil or member of staff tests positive for Covid-19 in the first 6 days of the holiday, please follow the guidance below. If this individual has attended school 48 hours before displaying symptoms of Covid-19, we will initiate our own tracking procedures and ask close contacts to self-isolate for 14 days.

Please note that this guidance only applies for the first 6 days of the Christmas holiday. There is no need to report positive test results after 24th December.

When we return to school on 5th January, we will follow our normal attendance procedures.
