

DOWNLANDS NEWS

20 February, 2024

Dear all,

I hope you had a lovely half term and that you were able to spend some time with your families. Thank you all for your support last half term, another very successful period for the school. We had some notable events taking place, including:

- Year 9 Options Process
- Year 11 Consultation Evening
- Year 11 GCSE Success Evening

We were also dazzled by the school production of Fantastic Mr Fox and James and the Giant Peach, brilliantly produced and with many superb acting performances.

Wednesday 24th January saw the launch of our Character Passport. For me, this was one of the most amazing days the school has ever experienced. Every year group was engaged in a range of activities: Year 11 with the English-speaking presentations, Year 10 in Enterprise Day and Year 9 in Careers and Options.

In an incredible achievement led by our Character Team, over 500 Year 7 and 8 students went to London to visit West End shows and museums. The day went incredibly well, with all of the students completing successful trips – many students taking part in activities they have never experienced in their lives. Please read further for more details and photographs of this brilliant day out.

This is the strength of the Character Passport. Participating in activities as above is so important in developing cultural capital for young people, but it also enables them to become successful learners. These experiences are not only a vital part of their education but prepare them for life beyond Downlands.

We have a further Character Passport Day in May where the following activities will be taking place:

- Trips to Wakehurst Place and The Arundel Wetlands Centre
- Volunteering at Shoreham Beach and South Downs National Park
- History trip to Ypres
- Trip to the University of Sussex

We are also looking forward to the following fantastic events over the next half term:

- Dance Show
- Spring Concert
- Year 10 Consultation Evening

Finally, we wish our wonderful Year 11 students the best of luck in their mock examinations which are underway.

CHARACTER PASSPORT DAY - YEAR 7

YEAR 7 LONDON THEATRE TRIP MATILDA THE MUSICAL

CHARACTER PASSPORT DAY - YEAR 7

YEAR 7 THEATRE TRIP - THE LION KING

Taking 100 people to the Lion King isn't a usual Wednesday afternoon, but the sea of red jumpers excitedly crossing Waterloo Bridge and pointing out all of the famous landmarks made it a pretty special one.

The students conducted themselves really well (despite the amount of sugar consumed) and we had lots of smiley, if tired, faces to hand over to parents and carers at the end of a long day. It turns out that one of our feeder primary schools performed their own version of the Lion King last year, so lots of our students were able to lip sync the entire show!

Everyone was in awe of the incredible puppetry and powerful singers. All in all, a fun day out for all involved and a great way to kick off their Character Passport.

CHARACTER PASSPORT DAY - YEAR 8

TOWER OF LONDON

THE TOWER OF LONDON

In a memorable excursion, Year 8 students embarked on an exciting trip to the historic Tower of London. One of the highlights of the trip was the awe-inspiring visit to the Crown Jewels. The students were able to see the array of jewels, each piece having a unique style and historical significance. From intricate tiaras to majestic crowns, the Crown Jewels showcased the rich history of the British monarchy through the ages.

The students delved into the fascinating world of military history as they explored the White Tower. Here, they witnessed the evolution of arms and weaponry over the last 500 years, gaining insights into the strategic advancements that shaped the course of history.

The White Tower provided a hands-on experience, allowing students to connect with the past through its well-preserved artefacts and exhibits.

Throughout the tour, the students were introduced to the tower's key features, each holding its own historical significance. The Tower of London played a crucial role during World War I, a fact emphasised at the Poppy Memorial. The solemnity of the memorial served as a powerful reminder of the sacrifices made by those who served in the war.

The journey to and from London by train was a huge success, and the students were a tribute to the school. The students enjoyed a leisurely walk in the sunshine along the picturesque River Thames, soaking in the breathtaking views of the iconic Tower Bridge.

CHARACTER PASSPORT DAY - YEAR 8

Year 8 Trip to London's

SCIENCE MUSEUM

On Character Day we took four excited Year 8 tutor groups to the Science Museum in London. It was an adventure for some as it was the first time they were visiting the city.

On arrival, we split into tutor groups with each group heading towards different exhibitions. These included 'Power up', and 'Turn it up'. We had access to the whole museum, due to restricted time we all saw different parts.

The students were engaged and enjoyed the hands-on activities. Coding a robotic arm went down a treat!

The exhibits in the World of Medicine were very informative and triggered lots of questions from the groups. Before we left this particular exhibition, a member of staff who was showing us instruments used in the past in medicine said, "what a lovely bunch of interested children you are" This was lovely to hear.

The student's behaviour was brilliant throughout the day as they navigated through rush hour on the tube and walked through crowds on the journey there and back.

A big thank you to all staff who helped on the trip, as this would not be possible without you.

CHARACTER PASSPORT DAY - YEAR 8

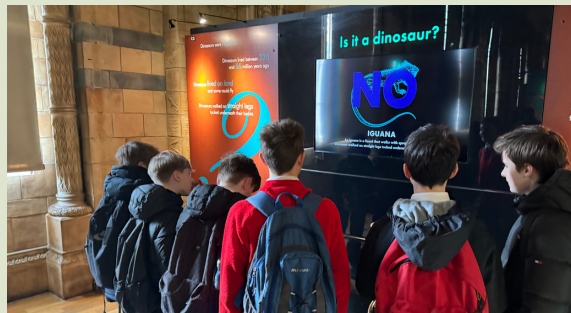

TRIP TO THE NATURAL HISTORY MUSEUM

Ninety of our inquisitive Year 8s had a brilliant day immersing themselves in our natural world. They spent time exploring the Restless Earth exhibition, learning all about how earthquakes and volcanos are created, before experiencing an earthquake firsthand in the simulator. They marvelled at all the raw minerals and gems, the museum houses, taking particular note of the Ostro Stone, which is an impressive 9,381 carats!

A day at the Natural History Museum is not complete without wandering through the exhibitions of rare animal specimens and prehistoric creatures. Students could not believe the size of a giant sloth in particular!

The group had a brilliant day, travelling through London on the tube and the rush-hour busyness!

As always, they were a credit to the school, and we hope they enjoyed their first Character Passport event.

CHARACTER PASSPORT DAY - YEAR 9

CAREERS AND POST 16 EVENT

The Year 9s spent their day exploring the world of careers in preparation for making their GCSE option choices in a few weeks.

In the morning they met a variety of volunteers from all walks of life in our fast and fun Careers Speed Dating event. They also had the chance to find out more about themselves using the personality profile test on Unifrog.

After learning more about the options available to them for their GCSEs they experienced a careers fair, with 15 local providers hosting stalls. This gave the students a first glimpse into the range of choices available to them when they leave Downlands.

We finished the day by exploring the routes open to them after 18, including an interesting and inspiring talk from an alumnus of the University of Sussex.

CHARACTER PASSPORT DAY - YEAR 10

YEAR 10 ENTERPRISE DAY

24th January was Year 10 enterprise day and what a successful and fun filled day it was, as the product of the pupil's creativity attested to.

Pupils were invited to attend school in business attire and work in small teams of 5-6 to produce a new product (a new deodorant for the teen market).

Each group made and edited a short TikTok, advert a Marketing poster, product design and written pitch and then went up against other groups in a pitch (period 5) to tender for the contract.

The finalists will be presented in an upcoming assembly and the winning team will win a prize. As this is an enterprise style activity, Mr Whitmore, Head of Year, will have the final say – for this he is 'Lord Sugar!

'Somebody will be hired!'

SCHOOL PRODUCTION

Congratulations to everyone who was involved in the School Production. It really was a fantastic show!

Backstage photos of the cast and crew

Students in year 10 applied for positions in the Senior Team before Christmas. They submitted an application form which also needed a reference. These were then carefully looked at and all of the students interviewed.

This was followed by a goldfish bowl activity and then a presentation of their vision for the Team.

It was a very hard decision since we had an extremely talented field of students this year.

Our newly appointed Head Prefects, Elodie and Emily, with the Deputy Prefects, Erin and Claude.

Congratulations to everyone who has been appointed!

Mr Whitmore, Mrs Skelton and SLT look forward to working alongside the whole Senior Team in the forthcoming year.

THANK YOU

Thank you to all of our Year 11 Prefects and Senior Team for all the hard work they have put in over the past year.

PUBLIC SPEAKING

Public Speaking Event at Downlands with local Schools

I only joined Public Speaking this year, and what fun it has been! I learnt very quickly that it was far more than just standing on a stage and saying a couple of words, it was a lot more than that. It was about how amazing those couple of words can be. That speech gives us the power to change someone's stubborn opinions, it gives us the power to change perceptions and views, and it gives us the power to change mindsets and thoughts. Public speaking was about finding the right words, and it has been so much fun to try and find those words with friends. It has been a blast, and I can't wait to return again next year!

Lily, Year 8 won 'best proposer' for her motion:
'What doesn't kill you, makes you stronger'

Lily, Year 8

STUDENT DIVERSITY GROUP

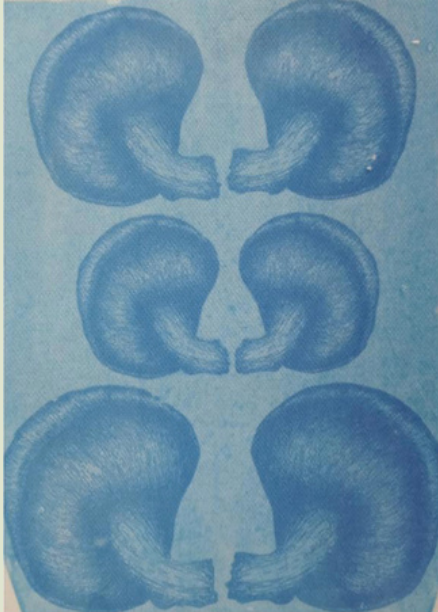

We had our first formal meeting on 8th February and have created a list of ideas that we want to do. We will keep you posted as we develop this role. There is a competition for all tutor groups about famous female scientists as it is 'Women and Girls in Science Day' on the 11th February. Here are a couple of questions for you to try.

1. Which scientist was Chair of the LGBT+ advisory group at Oxford University until 2022?
2. Who believes that her dyslexia and how she had to problem-solve to achieve, is at the core of her outstanding skills as a scientist?
3. How old was Wally Funk when she went in to space in 2021?

ART

Y11 have just successfully completed their 5-hour mock exam. Here are some of the results.

Jo- Heat Transfer

Lauren - Acrylic

Fran - Acrylic

Amber- Fine liner

Maciej- Coloured pencil

Harry - Macro photography and lino print

Well done Y11. We now have 7 school weeks remaining before the final practical exam!

TEXTILES CLUB

IN TEXTILES CLUB WE FINISHED CREATING BAGS OR CUSHIONS USING PATCHWORK.

TEXTILES CLUB

STEM

We have been busy with projects. Year 10s have been developing their hovercraft and the KS3 group have been developing their Lego robots.

7th February was a Women in STEM training session held at school by The Sussex and Surrey Science Learning Partnership. Our students were great ambassadors and demonstrated different scientific experiments, their work with the hovercraft and Lego robots.

Anaaya gave a great presentation about the UK Space Design Competition that Year 10 students entered just before Christmas.

MATHS NUMERACY NEWSLETTER

Downlands
Numeracy

Welcome to this month's Downlands Numeracy newsletter on **linear equations**. Each month, we aim to support the learning of maths at home for our students. This month is dedicated to what year 7 have just been learning!

Definition

An equation is two expressions which have the same value, separated by an = sign. The greatest power in a linear equation is 1.

Fun Fact

For 65 years, the hardest equation in the world had been $x^3 + y^3 + z^3 = 42$ until a supercomputer solved for x , y and z .

$$3x = 12$$

$$4p - 2 = 14$$

$$2(t + 4) = 22$$

$$2p - 7$$

$$3x$$

$$4y + 3 = x$$

$$4(x + 3) \equiv 4x + 12$$

Worked example

I DO

Solve
 $5x + 7 = 27$

To solve the equation, we need to use inverse operations.

Sometimes it helps to consider the story of what is happening to x to know what to do first.

multiply x by 5, add 7 and I get 27

← Reverse to solve

Whatever you do to one side of the equals sign, you do to the other to keep it equal

$$\begin{array}{rcl} 5x + 7 & = & 27 \\ -7 & & -7 \\ \hline 5x & = & 20 \\ \div 5 & & \div 5 \\ \hline x & = & 4 \end{array}$$

Substitute to check: $5 \times 4 + 7 = 27$ ✓

YOU DO

Solve
 $\frac{x + 7}{6} = 2$

Now practice the skill

QU 1

Solve
 $x + 5 = 6$

QU 2

Solve
 $x \div 5 = 4$

QU 3

Solve
 $3x + 8 = 26$

QU 4

Simplify $\sqrt{363}$
 Solve
 $2 - 8x = 18$

QU 5

Simplify $\sqrt{108}$
 Solve
 $-4(x - 3) = 32$

LIBRARY NEWS

NEW BOOKS

New Year, New Books! has been the motto for the library this January and February with a stream of lovely new books filling the display cases and shelves. Some have even been quality controlled by students, to ensure the library is filled with interesting, relevant books!

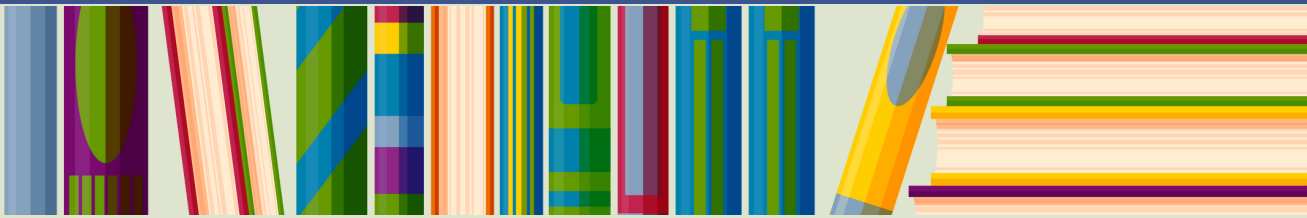

PAIRED READING

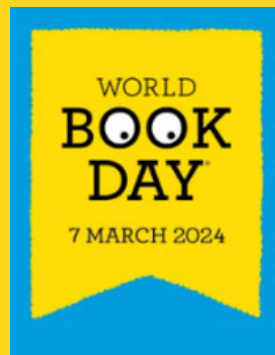

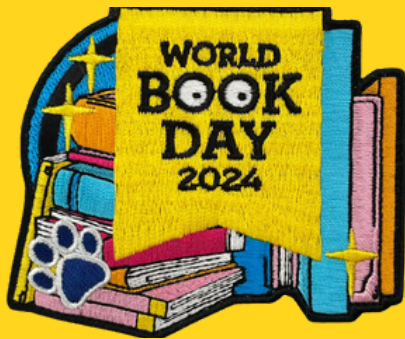

Paired reading between year 7s and year 10s has begun taking place in the library this term, during tutor time once a week. Thank you to all the year 10's who have been volunteering their time to support their paired year 7 reader. Well done to the year 7s, who have shown resilience in developing their reading skills

DANCE

MorvellDance

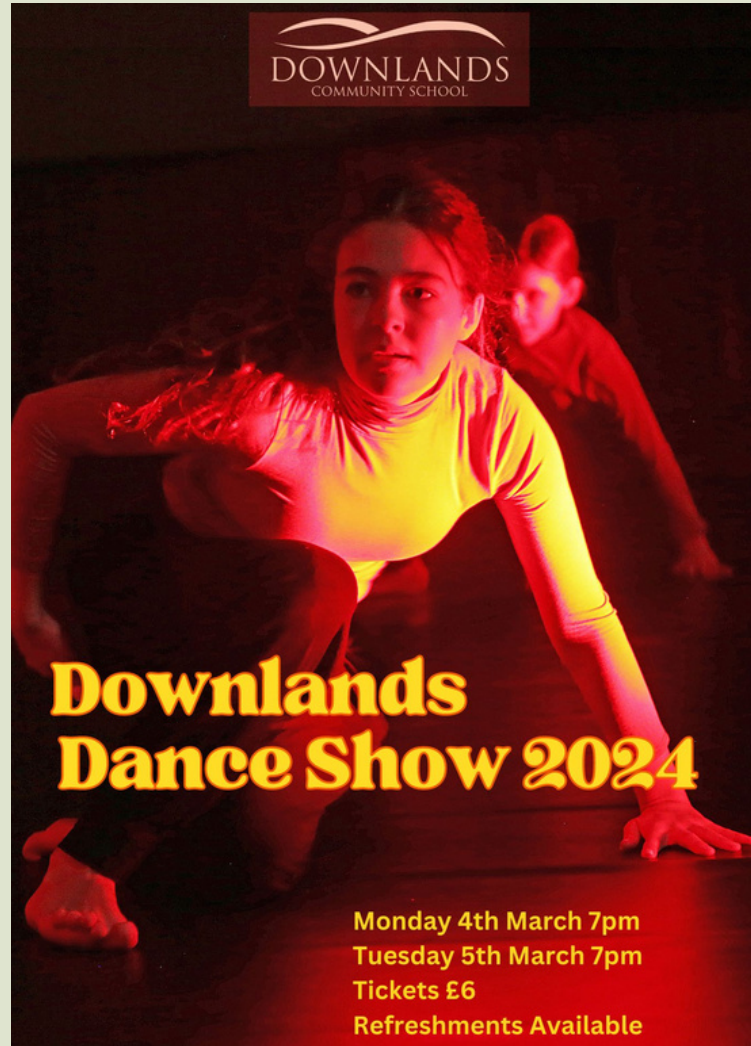

Amy Morvell Intensive Workshop **Saturday 27th January**

This half term, Year 9 Gifted and Talented Dancers came in on a Saturday to take part in a full day intensive workshop with performer and choreographer Amy Morvell.

The workshop allowed the students to develop their technique and learn an entire piece ready for the Dance Show in March.

The students worked incredibly hard over the six-hour workshop and demonstrated high levels of professionalism and positivity.
Well done G.T.D.P!

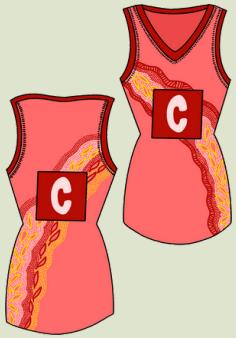

YEAR 7 NETBALL

The Year 7 netball A and B teams had a great game this half term. Both teams played against a strong Burgess Hill Girls team, meaning they had to work closely as a team, whilst ensuring they played to their individual strengths.

There was some incredible netball on display, and both teams walked away with well-deserved wins.

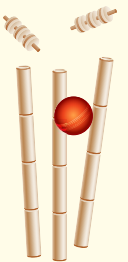

YEAR 8 NETBALL

The Year 8 netball team had their netball league this half term. They played extremely well over the weeks, working well as a team. They won all of their games, with both the attackers and defenders all playing extremely well. They were rightfully announced winners of the league – a huge achievement!

U13 GIRLS INDOOR CRICKET

The u13 girls competed in an indoor cricket tournament. The girls played incredibly well, adapting to the indoor cricket format. They did amazingly well to win 2 of their games, running between the wickets with some sharp fielding. They narrowly lost to Warden Park, leaving them runners up of the tournament!

YEAR 11 BOYS FOOTBALL

Another great result for the Year 11 boys in the @schoolsFootball cup. They keep going from strength to strength and are in to the 7th round and the last 16 schools in the Country!

YEAR 11 LEAVERS INFORMATION

REPORTING ABSENCE - STUDYBUGS

If you haven't already, please download the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child is ill and unable to attend school. You can still call us to leave a message to report an absence, however Studybugs is our preference for absence reporting as it feeds directly in to our registers.

Get the app or register now <https://studybugs.com/register>
<https://studybugs.com/about/parents>

Studybugs is quick and easy to register and use, and automatically reminds you to keep us posted. Using the Studybugs app or website, you can report your child's absence due to illness any time from 6pm the day before.

You are required to report absence a day at a time – it's not possible to 'block book' absence. Studybugs automatically email parents a reminder at around 8am the next morning if it's a school day. As an extra safeguard, Studybugs is set to automatically send parents a confirmation email after they report absence via the Studybugs app or website.

Please remember to leave a message for attendance (ext 228) before 8.30am to advise if your child will be late due to medical or illness. Likewise, a child will not be released from school without prior notice (before 8.30am) of an appointment.

Biometric Consent

I consent to fingertip biometric scan for the purpose of making payment for canteen food only. Our canteen operates a cashless system. This scan is held until the student leaves or ceases to use the system. If you wish to withdraw your consent, this must be done so in writing to the school Finance Office.

USEFUL INFORMATION

IMPORTANT MESSAGE FROM THE MEDICAL ROOM

- Please make sure that you are aware of the current Covid guidance, which can be found here:
<https://www.gov.uk/guidance/people-with-symptoms-of-a-respiratory-infection-including-covid-19#children-and-young-people-aged-18-years-and-under-who-have-symptoms-of-a-respiratory-infection-including-covid-19>
- Please remember to keep the medical room updated of any changes in your children's medical conditions. Your children's welfare whilst in school depends on this information being up-to-date.
- Please ensure that your emergency contact details are current. If you move home, get a new mobile number or your work number changes please remember to let us know; we need to be able to contact you in an emergency or if your child is unwell.
- Please do not send your children into school if they have sickness or diarrhoea. You should keep your child at home for 48 hours after their last episode of sickness or diarrhoea.
- Hay fever – the school does not administer antihistamine for the symptoms of hay fever. We ask that this be administered at home before the start of the school day.
- Finally, please be aware that any prescribed medicines to be administered during the school day must be provided to us in the original pharmacist's container. We would ask that where possible you ask your GP to administer a three-dose medication to avoid the impact on the school day. A 'Request for School to Administer Medicine' form must accompany it. Under exceptional circumstances, where it is deemed that their administration is required to allow the student to remain in school, the school will administer non-prescription medication for a maximum period of 48 hours. Any non-prescription medication administered in school must have been administered in the past without adverse effect. Again, a 'Request for School to Administer Medicine' form must accompany it. **Students must not carry their medication in school, apart from asthma inhalers and Anaphylaxis Auto Injectors, all other medication must be stored securely in the medical room.**
