Dear Parent/Carer,

**KS4 Information Evening – Thursday 12<sup>th</sup> September 2024**  
**Main Hall at 6pm**

Your child is just embarking on a very important two-year phase of their education. It is a period that passes all too quickly and a great deal happens in a very short period of time.

We are inviting you to attend a brief evening that will inform you how you can best support your child during this very hectic and potentially stressful period. Research shows that parent/carers who are informed are better able to support their child/ren and that better outcomes are the result. This evening will last for 45 minutes.

A copy of the Year 10/11 Examinations Guide, which outlines many important dates and details of how pupils can best prepare themselves for examinations and course components, is attached. Details of each subject's coursework and controlled assessments and all deadline dates are included to assist you and your child in planning for the busy periods that will occur.

All presentations will be uploaded to the website after the Information Evening. Students are not expected to attend the event.

We look forward to seeing you.

Yours faithfully,

Mr S Adams  
Deputy Headteacher
