Headteacher: Mr M Wignall

14 October 2024

Dear Parent/Carer,

We are writing to you as the PE department would like to recognise and celebrate any outstanding sporting achievements that students at Downlands Community School have taken part in over the last year. The Downlands sports teams have been extremely successful across Sussex throughout recent years. We are now looking to broaden our knowledge of students who have been successful in sporting activities outside of school and of course celebrate these within the school. We are fortunate that our headteacher is extremely supportive of the sport our students partake in and will always look to support the students pursue sporting events where applicable.

In previous years we have been notified of students who have represented or competed in competitions for England/Great Britain, South East England or Sussex in their specialised sport. We recognise that there are likely to be other students performing at a high level in which we are not yet aware of. We would relish the opportunity to celebrate the student's achievements within the PE department, across the school in newsletters and on social media.

If your child has competed at county level or above in a certain sport, please could you email Miss Cole on ncole@downlands.org with information such as the recent competitions they have taken part in and the result of these competitions. In addition, if you are willing to send photos of them competing in these events then we can include them on our display boards within the PE corridor – your consent is required for this.

The information you send helps us to build up a portfolio of your child, and we can also use this for our Sports Awards Evening which takes place at the end of each academic year to celebrate the student's achievements. We would like to celebrate these achievements alongside the internal sports we compete in here at Downlands. Please continue to update Miss Cole with any sporting achievements going forward in the future as the PE department would like to continue to recognise and celebrate the student's sporting achievements.

If you need any further information or have any questions, then please contact Miss Cole on the above email address and she will be happy to help you with your questions or queries.

Yours faithfully

S Holt
