

10 October 2024

Dear Parent / Carer,

Year 11 How to Revise Effectively – Thursday 17th October 2024
Main Hall at 6-7pm

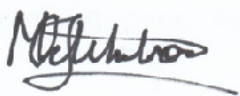

This week Year 11 pupils have participated in Revision Workshops. These have been run by Action Your Potential, one of our provision partners.

We are delighted that Andrew Wright, founder of Action Your Potential, has offered to follow this up by addressing parent/carers and pupils on the key elements of effective revision practise. Andrew and his team work with a number of Secondary schools across our region, to high acclaim. This is the first year that his team have delivered workshops to our Year 11 pupils.

We do hope that you are available to attend this information evening on Thursday 17th October at 6pm. Our own surveys tell us that Year 11 pupils find committing to a revision schedule challenging and would welcome some additional guidance on the most effective revision methods. It is well evidenced in academic research that pupils benefit from better outcomes if parents and carers are able to support them during this examination year. The evening is intended to give you and your child key strategies to succeed this year.

This invitation is being extended to pupils and parent / carers to attend the event. You do not need to RSVP. If your child would like to attend, they do not need to wear their school uniform.

Yours faithfully,

Mr M Whitmore

Head of Year 11
