

14th January 2024

Dear Parents/Carers,

Wednesday 22 January – Year 11 Character Day Information

We are writing to provide details about **Character Day**, which will take place on **Wednesday, 22 January**. This day is dedicated to the **Spoken Language** component of the English Language GCSE.

- **Preparation:** pupils will receive an email with a PowerPoint containing revision tasks to complete after their speech.
- **Additional Resources:** while the PowerPoint is comprehensive, pupils are welcome to bring any additional resources that they feel will support their preparation.
- **Technology:** laptops will be available. Pupils are also permitted to use their phone for revision purposes.
- **Headphones:** headphones will be provided, but we encourage pupils to bring their own for convenience.
- **Filming:** your child will be informed if we need to film their speech for the exam board sample.

We are looking forward to seeing your child's hard work and preparation come to life through their speeches. If your child has any questions or need further support in the lead-up to Character Day, please encourage them to speak to their English teacher.

Yours faithfully,

Sam Kashmiri

Assistant Headteacher
