Dear parent/carers,

Key Stage 4 Options Booklet and Curriculum Information Evening

The options process is an exciting time for Year 9 students as it enables them to begin to personalise their own curriculum and to consider their next steps. We have attached the Options booklet to enable you and your child to begin to have conversations about their choices. The booklet aims to provide you with key information about our option subjects and pathway allocation, as well as providing guidance about how to make these important decisions.

There is a great deal of support available to you and your child to enable them to make positive decisions about their choices. Students will take part in a Careers and Options Character Day on Wednesday 22nd January. This day engages students in exploring a wide variety of destinations after Downlands, as well as introducing them to the options process.

Between now and the deadline of Friday 14th February, there are key events which will help you to support your child with their decision making.
