Dear Parent/Carer

GCSE Textiles

I am pleased that your child has chosen GCSE Textiles next year and am looking forward to working with them. In order to help your child in textiles, they will need some equipment to help them achieve their GCSE. The Textiles department can purchase good quality materials at a cheaper price than is available in art shops and have put together a pack of what each student will need. The pack will include:

- 1 A3 plastic portfolio with handles (for transporting work back and to school)
- 2 A4 sketchbooks
- Fine liners
- 2 glue sticks
- Mounting card/papers
-

The cost to students is £21, which can be paid via Scopay. If you wish to purchase a kit, please make the payment no later than Friday 2nd June. All kits will be given to students when they start their GCSE in September.

It would also be advantageous to have some basic sewing equipment at home e.g. pins, needles, threads and scissors to help with practical homework.

Thank you for your support, if you have any queries regarding the course please feel free to email me.

Yours faithfully

Mrs S Martin
Teacher of Textiles
